RE: FIRSTENERGY SOLUTIONS CORP, et al

To Whom It May Concern:

I want to object to the assumption and assignment of my customer contract to the new plan per the notice I received regarding Chapter 11 filing of Firstenergy Solutions. I would like to be released from this contract, which is up December 2019, without the early cancelation fee of \$295. Firstenergy has been charging more than the normal AEP charges for more than a year and I do not want to work with them at all if I can help it.

I have enclosed a copy of my bill which is proof of service required. I hope this is all that you need and will send this to the appropriate counsel for the Debtors.

Thank you for your attention to this matter.

Sincerely,

Kevin P. Grady

A smart meter is installed on your premises. **If service is disconnected due to non-payment, it will be remotely disconnected and no physical notice will be left at your service address.** On the day of disconnection, service will be shut off after 10 a.m. Holidays are excluded.

As a participant in the AEP Ohio Customer Choice Program, your electric energy is being supplied by **FirstEnergy Solutions Corp.** This bill reflects AEP Ohio charges for delivery of the electric and all electric energy supply charges AEP Ohio has received from your supplier as of the Billing Date shown on this bill. For questions about your electric energy supply charges please contact FirstEnergy Solutions Corp at (888)254-6359. Please note that failure to pay charges for competitive retail electric services (CRES) may result in loss of those products and services, the cancellation of your contract with the CRES provider and your return to AEP Ohio's Standard Offer for energy supply services.

Due date does not apply to previous balance due.

Your **Budget Anniversary** month is **July**.

To avoid unnecessary delays in crediting your electric payment, please **do not paper clip or staple your check to the bill payment stub.**
